REGULAR ORDER OF BUSINESS

Supervisor Housler discussed the contract with the Clare County Road Commission for the chip and sealing of Hemlock Road. He noted that he originally said the price would be \$23,000, however it is now quoted as \$31,506. The reason the price went up is because mis-measured an extra 500 feet by not including the pads from the side streets. Supervisor Housler noted that we need to do the approaches at the streets.

The contract is the same as always, except the price.

Treasurer Lackie noted that the Road Commission hasn't cashed our check for last year's work in the amount of \$70,000.

Motion made by Treasurer Lackie, seconded by Trustee Sable, to approve the contract with the Clare County Road Commission for chip sealing Hemlock Road. Ayes 4, Nays 0.
