**SUPERVISOR'S COMMENTS**

Supervisor Housler's first item to discuss is potential road projects for 2024. Present from the Clare County Road Commission were Dwayne Rogers, Dave Bondie and Allan Leonard. We discussed options to improve our roads, asphalt, millings, chip and seal and the different scenarios to take into account, speed, heavy weight traffic and amount of traffic. It was also brought to our attention some repairs are needed on previous roads that are hard surfaced. We asked for some traffic studies from the Road Commission and estimates comparing the different surfacing options before making a final decision. Our road millage will be on the ballot in August for renewal.

The next item on our agenda is the property at lot 111 Shadowbrook Drive. The cleanup has been done; the lot has been deeded to Freeman Township. Lake of the Pines has forgiven the past dues and released the lien on the lot. Discussion was opened for options on what to do with the property. It was decided to sell by owner and list for \$2000.

Clerk LaFave asked for approval of two Early Checks, #016457 and #016458 which clear up the back taxes on lot 111 Shadowbrook Dr., motion make by Trustee Sable and seconded by Trustee Barnett. Ayes – 5, Nays - 0
